PLEASE READ & SIGN BELOW

The information you have provided on this register will be very useful if a search is initiated, but always be sure your contacts know your intentions and the actions you wish them to take should you become overdue.

I understand that this Voluntary Climbing Register is optional and **does not substitute for the required backcountry permit** necessary for overnight stays within North Cascades National Park Service Complex. I agree to notify the Ranger Station promptly upon my return from this trip. I realize that **failure to notify the Ranger Station may result in a needless and costly search effort!!**
